Never forget how delusional the short sellers are

They will try to downplay their defamatory statements in the future, but there is plenty of saved evidence out there

> Dr. Wang has been making everything up for 21 years. Everything. None of it is real. A lot of people drank the Kool-Aid. Some may be so committed now they can't even recognize that it isn't real. Dr. Wang may not even know it isn't real. But it isn't real.
